

Characteristics of studies

Characteristics of excluded studies

Aman 2014

Reason for exclusion	Wrong study design
----------------------	--------------------

Bangs 2014

Reason for exclusion	Wrong study design
----------------------	--------------------

Bedard 2015

Reason for exclusion	Wrong comparator
----------------------	------------------

Bloch 2014

Reason for exclusion	Wrong study design
----------------------	--------------------

BoleaAlamanac 2014

Reason for exclusion	Wrong study design
----------------------	--------------------

Buitelaar 2015

Reason for exclusion	Wrong comparator
----------------------	------------------

Cardo 2013

Reason for exclusion	Wrong comparator
----------------------	------------------

Carpentier 2017

Reason for exclusion	Adult population
----------------------	------------------

CatalaLopez 2015

Reason for exclusion	Wrong study design
----------------------	--------------------

CatalaLopez 2017

Reason for exclusion	Wrong study design
----------------------	--------------------

Cetin 2013

Reason for exclusion	Wrong comparator
----------------------	------------------

Cetin 2015

Reason for exclusion	Wrong comparator
----------------------	------------------

Chan 2016

Reason for exclusion	Wrong study design
----------------------	--------------------

Chen 2016

Reason for exclusion	Wrong study design
----------------------	--------------------

Clavenna 2017

Reason for exclusion	Wrong comparator
----------------------	------------------

Coghill 2014

Reason for exclusion	Wrong study design
----------------------	--------------------

Coghill 2017

Reason for exclusion	Doublet
----------------------	---------

Coghill 2017a

Reason for exclusion	Wrong comparator
----------------------	------------------

Cortese 2017

Reason for exclusion	Wrong study design
----------------------	--------------------

Dopfner 2011

Reason for exclusion	Found in NICE guideline. Wrong intervention
----------------------	---

Dopfner 2017

Reason for exclusion	Wrong intervention
----------------------	--------------------

Fuentes 2013

Reason for exclusion	Wrong comparator
----------------------	------------------

Garg 2014

Reason for exclusion	Wrong comparator
----------------------	------------------

Gorman 2015

Reason for exclusion	Wrong study design
----------------------	--------------------

Hall 2016

Reason for exclusion	Wrong study design
----------------------	--------------------

Handen 2015

Reason for exclusion	Wrong comparator
----------------------	------------------

Harfterkamp 2013

Reason for exclusion	Wrong comparator
----------------------	------------------

Harfterkamp 2013a

Reason for exclusion	Wrong comparator
----------------------	------------------

Harfterkamp 2014

Reason for exclusion	Wrong comparator
----------------------	------------------

Harfterkamp 2015

Reason for exclusion	Wrong comparator
----------------------	------------------

Heber 2016

Reason for exclusion	Wrong comparator
----------------------	------------------

Heinrich 2013

Reason for exclusion	Wrong comparator
----------------------	------------------

Hennissen 2017

Reason for exclusion	Wrong study design
----------------------	--------------------

Hervas 2015

Reason for exclusion	Wrong comparator
----------------------	------------------

Hollway 2016

Reason for exclusion	Wrong comparator
----------------------	------------------

Huss 2015

Reason for exclusion	Wrong comparator
----------------------	------------------

Hutchison 2016

Reason for exclusion	Wrong study design
----------------------	--------------------

InceTasdelen 2015

Reason for exclusion	Wrong comparator
----------------------	------------------

InceTasdelen 2015a

Reason for exclusion	Wrong comparator
----------------------	------------------

Joseph 2014

Reason for exclusion	Wrong study design
----------------------	--------------------

Joseph 2015

Reason for exclusion	Wrong study design
----------------------	--------------------

Joseph 2017

Reason for exclusion	Wrong study design
----------------------	--------------------

Kohn 2015

Reason for exclusion	Wrong comparator
----------------------	------------------

Lecavalier 2017

Reason for exclusion	Wrong patient population
----------------------	--------------------------

Leite 2015

Reason for exclusion	Wrong comparator
----------------------	------------------

Liu 2017

Reason for exclusion	Wrong study design
----------------------	--------------------

Locatelli 2016

Reason for exclusion	Wrong study design
----------------------	--------------------

Martsenkovsky 2015

Reason for exclusion	Wrong comparator
----------------------	------------------

Nagy 2016

Reason for exclusion	Wrong outcomes
----------------------	----------------

Newcorn 2015

Reason for exclusion	Wrong study design
----------------------	--------------------

Ogundele 2017

Reason for exclusion	Wrong study design
----------------------	--------------------

Peksel 2015

Reason for exclusion	Wrong comparator
----------------------	------------------

Pringsheim 2015

Reason for exclusion	Wrong outcomes
----------------------	----------------

Reed 2016

Reason for exclusion	Wrong study design
----------------------	--------------------

Ren 2017

Reason for exclusion	Wrong study design
----------------------	--------------------

Rezaei 2016

Reason for exclusion	Wrong study design
----------------------	--------------------

Riera 2017

Reason for exclusion	Wrong study design
----------------------	--------------------

Rizzo 2013

Reason for exclusion	Wrong comparator
----------------------	------------------

Roskell 2014

Reason for exclusion	Wrong study design
----------------------	--------------------

Savill 2015

Reason for exclusion	Wrong comparator
----------------------	------------------

Schwartz 2014

Reason for exclusion	Wrong comparator
----------------------	------------------

Shang 2015

Reason for exclusion	Wrong comparator
----------------------	------------------

Sikirica 2013

Reason for exclusion	Wrong comparator
----------------------	------------------

Smith 2016

Reason for exclusion	Wrong comparator
----------------------	------------------

Snircova 2016

Reason for exclusion	Wrong comparator
----------------------	------------------

Soutullo 2015

Reason for exclusion	Wrong study design
----------------------	--------------------

Stein 2015

Reason for exclusion	Wrong comparator
----------------------	------------------

Stein 2015a

Reason for exclusion	Wrong comparator
----------------------	------------------

Stuhec 2015

Reason for exclusion	Wrong study design
----------------------	--------------------

Stuhec 2015a

Reason for exclusion	Wrong study design
----------------------	--------------------

Sturm 2017

Reason for exclusion	Wrong comparator
----------------------	------------------

Su 2016

Reason for exclusion	Wrong comparator
----------------------	------------------

Tamm 2017

Reason for exclusion	Wrong intervention
----------------------	--------------------

Tanaka 2013

Reason for exclusion	Wrong comparator
----------------------	------------------

Thome 2015

Reason for exclusion	Wrong comparator
----------------------	------------------

Thome 2017

Reason for exclusion	Wrong comparator
----------------------	------------------

Tsang 2013

Reason for exclusion	Wrong comparator
----------------------	------------------

Upadhyaya 2014

Reason for exclusion	Wrong study design
----------------------	--------------------

vanderMeer 2013

Reason for exclusion	Wrong comparator
----------------------	------------------

Wehmeier 2014

Reason for exclusion	Wrong comparator
----------------------	------------------

Wietecha 2013

Reason for exclusion	Wrong comparator
----------------------	------------------

Wietecha 2013a

Reason for exclusion	Wrong comparator
----------------------	------------------

Wietecha 2015

Reason for exclusion	Wrong comparator
----------------------	------------------

Wilens 2016

Reason for exclusion	Wrong intervention
----------------------	--------------------

Wilens 2016a

Reason for exclusion	Wrong comparator
----------------------	------------------

Yang 2015

Reason for exclusion	Wrong comparator
----------------------	------------------

Zhu 2017

Reason for exclusion	Wrong comparator
----------------------	------------------

Zimovetz 2016

Reason for exclusion	Wrong patient population
----------------------	--------------------------
