

Characteristics of studies

Characteristics of excluded studies

Arnold 2016

Reason for exclusion	Only abstract
----------------------	---------------

Azami 2016

Reason for exclusion	Wrong comparator
----------------------	------------------

Beery 2017

Reason for exclusion	Wrong outcomes
----------------------	----------------

Buitelaar 2015

Reason for exclusion	Wrong study design
----------------------	--------------------

CatalaLopez 2017

Reason for exclusion	Wrong study design
----------------------	--------------------

Chan 2016

Reason for exclusion	studies too old
----------------------	-----------------

Ching 2017

Reason for exclusion	Only abstract
----------------------	---------------

Coghill 2015

Reason for exclusion	Wrong study design
----------------------	--------------------

Connors 1980

Reason for exclusion	Found in NICE guideline. Unclear diagnosis
----------------------	--

Dey 2012

Reason for exclusion	Found in NICE guideline. Wrong study design
----------------------	---

Fageera 2017

Reason for exclusion	Wrong outcomes
----------------------	----------------

Fallu 2016

Reason for exclusion	Ingen placebogruppe
----------------------	---------------------

Gelade 2017

Reason for exclusion	Ingen placebogruppe
----------------------	---------------------

Hennissen 2017

Reason for exclusion	Ingen placebogruppe
----------------------	---------------------

Holmskov 2017

Reason for exclusion	Wrong study design
----------------------	--------------------

Janssen 2016

Reason for exclusion	Ingen placebogruppe
----------------------	---------------------

Janssen 2016a

Reason for exclusion	Ingen placebogruppe
----------------------	---------------------

Joseph 2017

Reason for exclusion	Limited quality assessment
----------------------	----------------------------

Kollins 2016

Reason for exclusion	Only abstract
----------------------	---------------

Kollins 2016a

Reason for exclusion	Only abstract
----------------------	---------------

Mohammadi 2012

Reason for exclusion	Found in NICE guideline. Wrong intervention
----------------------	---

Newcorn 2016

Reason for exclusion	Ingen placebogruppe
----------------------	---------------------

Palumbo 2015

Reason for exclusion	Only abstract
----------------------	---------------

Pliszka 2016

Reason for exclusion	Ingen resultater
----------------------	------------------

Pliszka 2017a

Reason for exclusion	Only abstract
----------------------	---------------

Slama 2015

Reason for exclusion	Wrong outcomes
----------------------	----------------

Storebo 2015

Reason for exclusion	Already included
----------------------	------------------

Vitiello 2015

Reason for exclusion	Wrong study design
----------------------	--------------------

Wigal 2015a

Reason for exclusion	poster
----------------------	--------

Wigal 2015b

Reason for exclusion	poster
----------------------	--------

Wigal 2016

Reason for exclusion	Wrong study design
----------------------	--------------------

Yarmolovsky 2017

Reason for exclusion	Wrong outcomes
----------------------	----------------

Zheng 2015

Reason for exclusion	Wrong study design
----------------------	--------------------
